

Fire It Up!

Watch the flame.
Watch it grow.
Ever building –
See it glow?

Let us stop, let us ponder,
Let us think of who we are.
We are Daughters of the Nile,
Living near, living far.

Our philanthropy is set,
We must always keep in mind,
Shriners Hospitals for children,
Oh, the funding we must find.

There is a flame that is burning,
In the heart of every lady,
It will keep our members working,
Yes, every Helen, Jane and Sadie.

But, what did you say?
Our membership is sliding?
Do you think they've just forgotton?
Are you sure they aren't just hiding?

Well, whatever it might be,
Bring them in or back, it's time,
To rebuild that love and friendship,
The option is mine – (and yours!)

So set that flame a-burning!
Send it high and keep it bright!
As we must rebuild our membership,
EACH of us—it is only right!!!

This task is oh so simple,
Members love to make you smile.
Just try always to remember,
You are a Daughter of the Nile!
